

affirmative action in medicine pdf

Affirmative action programs have significantly changed American medicine for the better, not only in medical school admissions and access to postgraduate training but also in bringing a higher quality of health care to all people. James L. Curtis approaches this important transition from historical, statistical, and personal perspectives.

PDF BOOK Recruitment Promotion And Affirmative Action

Affirmative action is a term used in the USA to depict a set of laws, policies, guidelines, and government-mandated and government-sanctioned administrative practices, including those of private institutions, intended to end and correct the effects of a specific form of discrimination.
