Arthritis is the most common health problem in older dogs. So if you own a dog, you will probably have to deal with it some day. Arthritis comes on in many ways, but the most common cause is the simple wear and tear your pet's joints undergo over the years - They simply wear out.

### **Dealing with Arthritis, Joint And Back Pain In Your Older Dog**

As mitral valve disease (MVD) progresses in the cavalier King Charles spaniel, and more and more blood backflows (regurgitates) through the mitral valve, the volume overload of blood in the heart stresses the heart's walls and drains the heart of its two main sources of energy -- adenosine triphosphate (ATP) and oxygen.
