The 2017 edition of the Factbook describes corporate governance practices in 47 countries by providing an easily accessible and up-to-date, factual underpinning for understanding countries' institutional, legal and regulatory frameworks.

### **Corporate governance and corporate finance - OECD**

Corporate governance is the mechanisms, processes and relations by which corporations are controlled and directed. Governance structures and principles identify the distribution of rights and responsibilities among different participants in the corporation (such as the board of directors, managers, shareholders, creditors, auditors, regulators ...
