

the architecture of sound pdf

PDF | Sound exists in architecture and architecture exists in sound. The process of how the two have influenced each other can be observed throughout history and has ...

(PDF) Sound and Architecture – Mutual Influence

The conclusion is that many of the functions of architecture - not the material but the social ones - can be fulfilled by sound, and sound as a supplement or complement to conventional architecture has a great potential only partly explored yet. The idiom used in the paper is such that no specific in-depth knowledge in music, sound technology or
